

FcConfigGetConfigDirs(3)

FcConfigGetConfigDirs(3)

NAME

FcConfigGetConfigDirs – Get config directories

SYNOPSIS

#include <fontconfig/fontconfig.h>

FcStrList * FcConfigGetConfigDirs (FcConfig **config*);**DESCRIPTION**

Returns the list of font directories specified in the configuration files for *config*. Does not include any subdirectories. If *config* is NULL, the current configuration is used.
