

```
...:lib::Smokeping::matchers::CheckLatency(3)  SmokePing  ...:lib::Smokeping::matchers::CheckLatency(3)
```

NAME

Smokeping::matchers::CheckLatency – Edge triggered alert to check latency is under a value for x number of samples

DESCRIPTION

Call the matcher with the following sequence:

```
type = matcher
edgetrigger = yes
```

```
pattern = CheckLatency(l=>latency to check against,x=>num samples required for
```

This will create a matcher which checks for “l” latency or greater over “x” samples before raising, and will hold the alert until “x” samples under “l” before clearing
